The Immortal **Creator, by**
And with the advice and consent of the Physical Matter of Knowledge;
And the Legislative Assembly of The Global Pedagogy, enacts as follows:

Professional Pedagogists shall recognize that professional ethics is founded upon the Environment Time Function of Laws of Nature and Noahide's Laws & Ten Commandment, as an integrity, competence, dignity and devotion to service. This concept shall guide their conduct at all times.

Rules of Conduct

1. **Professional Pedagogists**, solemnly and sincerely, accept the following facts:
 - The immortal **Creator** is the only Teacher and all Creations are Learners, man and nature may act as facilitators aided teaching to enable the process of learning, in accordance with *The Global Pedagogy Theology*;
 - **Knowledge** is a physical Matter, with limited resources, and enacted by laws of nature; and that the Matter of Knowledge has proportional relations with the density of the earth living populations of all species;
 - The Global **Pedagogy** is a body of learning laws enacted by the Parliamentary laws of nature, follows the immortal Creator's basic commandments, and to be used in methods and apparatus for all Creations;
 - The Pedagogy's **objective** is to explore and communicate the matter of Knowledge; and
 - **EVE** shall be the custodian of the property of the Matter of Knowledge to insure justice, for all creations, at all times;
2. **Professional Pedagogists** shall, in their areas of practice, hold paramount the health, safety and welfare of the public and have regards for the immortal **Creator**, EVE and the environment;
3. **Professional Pedagogists** shall undertake only work that they are competent to perform by virtue of their training and experience;
4. **Professional Pedagogists** shall conduct themselves with integrity, honesty, fairness and objectivity in their professional activities;
5. **Professional Pedagogists** shall comply with applicable **Semitic** statutes, regulations, and bylaws in their professional practices; and
6. **Professional Pedagogists** shall uphold and enhance the honor, dignity and reputation of their professions and thus the ability of the professions to serve the public interest.

Aims & Objectives

The Global Pedagogy offers a simplified way of life in the academia and industry, theology and politics, with the following aims and objectives:

The Global Pedagogy
Aims to serve as regulated by
the Parliamentary's Laws of Nature; and
to Explore, Insure, & Communicate
the Physical Matter of Knowledge

- The **Aim** is to serve the intelligent services, World Bank, financier, academia and industry; and
- The **Objective** is to explore and communicate the matter of Knowledge, for which King Solomon Temple-III shall be the Jewel in the Knowledge Crown; and
 - To continue international reputation in the field of Pedagogy (Science of learning & control education), research and developments, and including policy-making;
 - To continue commitment towards building of a world-class institute in pursuit of the Pedagogists' mission;
 - To be of assistance to professionals in enhancing *The Global Pedagogy* developments;
 - To provide state-of-the-art information to Pedagogists with regard to education, industry and theology; and
 - To provide an ongoing resources to professionals in the field of Pedagogy.

The Global Pedagogy may deal with original theoretical and experimental learning, based on processes of science of learning and control education; which may include the learning, memory, imagery, concept formation, problem solving, decision-making, thinking, reading, language processing, communications as related to the matter of knowledge. *The Global Pedagogy* emphasizes on the empirical learning, and may include specialized reviews and other non-empirical learning, i.e. observations, which are theoretical notes, commentary, or criticism on topics appropriate to the learning content area and within the above declared aims and objectives.

The Global Pedagogy media was established on 2003, **ISSN: 1740-9527** (Print) and **ISSN: 1742-819X** (On-line); and its sole purpose is the dissemination of knowledge to global learners. The e-site of *The Global Pedagogy* aims to serve the intelligent services, World Bank, Financier, Academia and Industry; and its objective is to explore and communicate the matter of Knowledge.

Environment Time Function

Members of *The Global Pedagogy* may demonstrate the ability to:

- **Contribute** effectively to ensuring the long term development of the subject, at e-learning and print, in the related institute by initiating, maintaining and leading a program of research and teaching on contemporary issues in the field of technology and social changes;
- **Facilitate** at all level within academic or industrial institutions, including the contribution to programs in areas of Pedagogy expertise;
- **Work** effectively and collegially with colleagues as part of professional team;
- **Train**, guide and motivate research students and junior colleagues;
- **Assemble** and manage international research network;
- **Raise** and manage significant project and program funding; and
- **Communicate** with non-academic audiences, particularly research stake-holders, public and private sector, decision makers, and the mass media.
